

Physician Assistant

Rosebud Health Care Center

is looking to add a Physician Assistant to our staff.

Formally trained to provide diagnostic, therapeutic, and preventive health care services, as delegated by a physician, Physician Assistants work as members of the health care team, taking medical histories, examine and treat patients, order and interpret laboratory tests and x rays, and make diagnoses. They also treat minor injuries by suturing, splinting and casting. They record progress notes, instruct and counsel patients, and order or carry out therapy.

QUALIFICATIONS:

1. Two-three years' experience in the healthcare field; Bachelor's degree in a medical-related field preferred.
2. Master's degree from an accredited Physician Assistant program required.
3. Successfully pass the National Physician Assistant National Certifying Examination.
4. Current MT Physician Assistant license.
5. Current BLS certification.
6. Valid DEA.
7. Ability to communicate effectively and diplomatically within a multi-functional team.
8. Strong organizational skills and attention to detail.
9. Ability to successfully function in a fast paced, service oriented environment.
10. Experience in understanding and usage of computers as well as the ability to learn applications relevant to the position.
